

ARTIST

Daniel Barreto

Each season, Shoppe Object partners with an artist whose work inspires us. We are so excited to have Daniel Barreto in NYC this weekend, lending the dreamlike vibrancy of his visuals to the show. Alongside his partner, Alejandra Garcia y Gutierrez, Barreto will be painting a live mural on the main level (by the Shoppe Bar) throughout the show dates—be sure to take a moment to watch the magic unfold!

WINTER 2022

Thank you for joining us in New York. We know it took some risk, perseverance, and lots of hard work to get here; we're grateful for your presence and SO excited to be gathering for another Shoppe Object in week one of the Lunar New Year of the Water Tiger! 2021's steadfast Ox energy set the stage for us to welcome the Tiger's fearless approach to momentum, recovery, creativity, and growth with open arms. Tempered by the Water element this year, we're seemingly well positioned to passionately roar forth toward abundance while still keeping our cool. Throw numerology into the mix, where "22" is known as the Master Builder; the most powerful number of all, full of vision, planning and big ideas, pure creativity coupled with logic, the embodiment of success. It looks like all signs point to an exciting year ripe for turning dreams into reality, so here's wishing you a 2022 full of positive change and so much more.

We're SO glad we get to kick it off together.
