NOURISH

UPSTAIRS ON THE MEZZANINE

Back for its second show, we're excited to be hosting a section called **NOURISH** – highlighting some of the very best small-batch wellness, beauty, and gourmet goods on the market. Curated by Dr. Maria Geyman, Vogue contributor and creator of Masha Tea, **NOURISH** will feature must-have lotions, potions, and tasty treats.

MADE IN IRELAND

Made in Ireland presents five incredible brands, showing delicate textiles, rich wools, workwear-inspired knits, and the prettiest soaps we've ever seen. Each brand is both distinct and distinctly Irish, representing the country's deep creative heritage and vibrant, contemporary design. B330

Showcase Japan is back! Shoppe Object is proud to welcome twenty-five brands that represent a sampling of Japan's incredible history of craftsmanship and aesthetic perspective. The brands were handpicked in partnership with the Japan External Trade Organization, which works to promote mutual trade and investment between Japan and the rest of the world. A319

ARTIST OF THE SEASON

Laura Burke

Each season, we choose an artist to contribute a visual energy to Shoppe Object. We are thrilled to announce that this summer's artist is Laura Burke, a Brooklyn-based creator whose mesmerizing drawings feel both intensely familiar and beautifully surreal. Burke says she hopes her work inspires "a combination of warmth and melancholy" – the perfect summer mood, in our opinion. To see more of her work, follow her on Instagram @l1b1l1burke

INSTALLATION

The Color Condition

Two friends, Sunny Sliger and Marianne Newsom, collaborate to create vibrant, interactive installations of streamers for galleries, events, public spaces... pretty much anywhere that could use a boost of fun and beauty. Their fascination with color, pattern, and movement has led to experiments with different fabrics, each dancing with the environment in its own way. See their extravagantly lovely work at Shoppe Object's entrance and on their Instagram @thecolorcondition

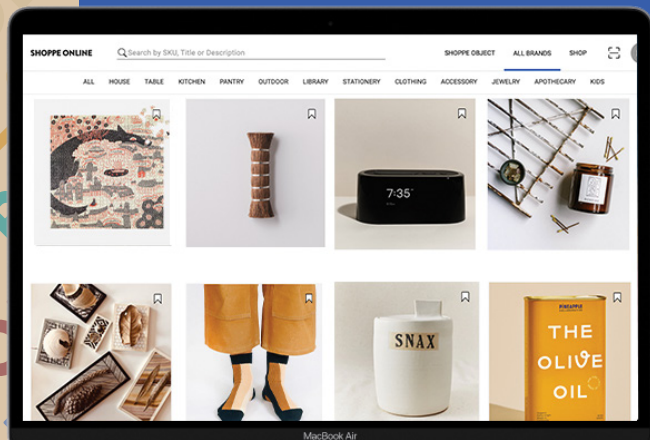

HOW TO:

Use Shoppe Online During the Show

A fully-integrated, hybrid experience, the online marketplace is here to make your show days seamless. As you walk the show floor, scan a brand's QR code (displayed at their booth) to see their full collection, favorite items, place an order, or save to your "Seen At Shoppe Object" list. As long as you are signed into a Shoppe Online account on your device, your phone or tablet's camera will work. Brands can also place orders for you on their devices. Your own QR code can be found on your Shoppe Online profile.

After the show, follow up with your favorites on Shoppe Online, which is available to shop 24/7/365.

Scan this code to Shoppe Online now!

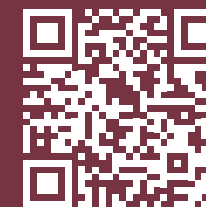

Summer Night Cruise

Join us Monday evening for an unforgettable three hour tour of drinking, dancing and revelry around New York Harbor in celebration of Shoppe Object's beloved community. We can't wait to sail away together! Check your email or ask at the front desk for further details.

GIFT FOR LIFE

Shoppe Object is partnering with Gift For Life — currently raising funds for the Jose Andrés not-for-profit World Central Kitchen, which provides meals in response to humanitarian, climate, and community crises. We are accepting donations at the QR code below. Thank you for your support!

PLAYLIST

Here's a baker's dozen sample of our custom Shoppe Object playlist so you can take the vibes with you wherever you go. The songs were chosen in collaboration with the amazing DJK8 — a Brooklyn-based music curator specializing in funky pop and R&B songs to wiggle to. You can find the Shoppe Object playlist on Spotify, and be sure to follow DJK8 on Instagram: @_djk8_
