Don't miss the RV outpost on the 2nd floor mezzanine, selling their signature coffee and other fare alongside the latest issues from some of your favorite design publications.

Regular Visitors, located at 149 Smith Street in Boerum Hill, Brooklyn, is a union of the disappearing independent mainstays of a traditional town center. It is equal parts main street coffee shop, newsstand, stationer, pharmacy, and housewares store, offering multiple reasons to walk through the doors each day.

OUNDS

Let the sweet sounds of teenage trouble wash over you with DJ HOLLYWEIRD, the New York City-based duo of artist Jill Pangallo and composer Lori Scacco. Inspired by those soft-focus teen protagonist films of the 70s & 80s (Foxes/Over the Edge/Little Darlings), HOLLYWEIRD will get you feeling like you did at 15... alone in your room on a hot August night, dancing with oversized headphones on, reveling in that summertime sadness...

"Like Olivia Newton-John delivering pizza to a goth club." - no one ever

Hear DJ HOLLYWEIRD spin at our after-show cocktail party and program your streaming service with these specially selected gems:

SHOPPE OBJECT

SHOPPE OBJECT is New York's new, semi-annual independent home and gift show. A curated collective of 100+ visionary brands and makers in an elevated boutique setting, SHOPPE OBJECT is the ultimate resource for premier merchants and influential editors. A show born of a vanguard spirit to celebrate and service our progressive retail and design community; we're so honored you're here.

The inaugural edition will feature 100 brands and target high-end home, lifestyle and design retailers.

— Jean E. Palmieri, **WOMEN'S WEAR DAILY**

“Its goal: to hit the refresh button on the concept of a trade show, breaking from the dreary, mindless wandering of convention-center aisles in favor of a more experiential, community-driven event.” — Hadley Miller, **ARCHITECTURAL DIGEST**

“...a boutique show that offers new and exciting products in an inviting space... encourages ‘real conversations’ that convey a better appreciation for how products are made and brought to market.” — Allison Zisko, **HFN**

“The overarching goal is to foster a sense of community.” — Katy B. Olson, **BUSINESS OF HOME**

SHOPPE OBJECT SHUTTLE

THE SHOPPE OBJECT SHUTTLES WILL BE PICKING UP AND DROPPING OFF AT THE NORTH-EAST CORNER OF 37TH AND 11TH AVENUE, DIRECTLY ACROSS THE STREET FROM THE JAVITS CENTER, ON SUNDAY, AUGUST 12, AND MONDAY, AUGUST 13, FROM 10AM-6PM.
